1st Surgical Grand Round.

Dear colleagues,

the Medical Faculty of Johannes Kepler University Linz is delighted to invite you to the 1st Surgical Grand Round. This new academic event will bring together experts, students and clinicians from all fields of surgery to discuss current scientific advances and innovative perspectives in surgical specialties.

The Grand Round will be held for the first time, fostering an international exchange of ideas and scientific dialogue. Join us for an inspiring session of knowledge sharing and discussion, and become part of this new tradition in surgical science at the JKU.

We look forward to welcoming you!
